

Faith Baptist Fellowship Bible Reading Initiative for June 6 – August 7, 2011

Readings for ***Salt & Light***, Acts 8–15

It's time to begin our Summer Adventure of Faith, called ***Salt & Light***, an all-church study of Acts 8–15. Pastor Dana helped prepare the ***Salt & Light*** materials when he was Director of Prayer First for Converge Worldwide/BGC. Because we are encouraging everyone to use the ***Salt & Light*** workbook and prayer guide, we will not include *Think About It* questions or *Prayer Points* on this summer Bible reading schedule. Instead, this will be a handy guide to the daily readings in Acts which correspond with the daily lessons of ***Salt & Light***. We do greatly encourage everyone to get involved in this Adventure, through the daily readings, talking things over with your Faith Group, listening to the messages in Sunday morning worship, and attending the summer Faith University sessions in the Fellowship Hall at 9:30!

Select a quiet place and consistent time to read and pray. We also recommend you pray for a moment before you read God's word and ask for his illumination by the power of the Holy Spirit as you read.
